EPIC Learning Collaborative Affinity Group Resources

Note, all links can be accessed by users with UserWeb logins.

Webinar Links

Both links will only be accessible to Epic customers. Each contains slides, a recording, transcript, and Q&A.

o   Webinar 1: eSyM: A Day in the Life

- Focused on operations wanting to learn about eSyM workflows within Epic and general FAQ. Co-Hosted with Christine.

o   Webinar 2: eSyM Build-a-Long

- Focused on analysts or other builders that are looking to learn about the initial implementation and build steps in system.

Resource Links

Any Technical questions from the project team should be directed to the site-specific Technical Support staff (TS) from Epic.

- Galaxy – Setup and Support Guide: Electronic Symptom Management (eSyM) Setup and Support Guide
